**Subject:** Support HB4416-HB4419

Dear Members of the Judiciary Committee

I am emailing the committee to express my support for the above package of legislation.

It is about time Michigan get in step with the rest of the country, our gun laws have been a mess, and behind the times for so many years.

Michigan should be leading the charge, not following.

Please have my comments added to the record.

Thank you

**Subject:** HB 4416 - 4419 Committee Hearing

Please add my following comments to the record of the House Judicial Committee hearing of House bills 4416 thru 4419 scheduled for May 16:

I support bills HB4416 thru HB4419. The constitutional right to bear arms is slowly being chipped away at to the benefit of the criminal faction of our society. Let's make crime a bit riskier by allowing the public to protect themselves and their families as they interact within their communities.

Thank you.
